

4.3.5 MSQH Surveyors

Majority of our surveyors continue to work part-time in health as professional specialists, doctors, engineers, nurses, medical administrators and allied health professionals while contributing to the MSQH mission on a voluntary basis. There is a total of 153 active surveyors (2022: 140 surveyors) working part-time with MSQH for the hospitals, medical clinics, dental clinics and chronic dialysis accreditation programme. Kindly refer tabular list below for the complete list of surveyors.
