

WORKSHOP

HEALTHCARE RISK MANAGEMENT & SAFETY (HRMS)

✓ This Event Will Be Held On:

24 - 26 May, 2024

G Hotel Gurney, Penang

OVERVIEW

This workshop aims to bring to the forefront the importance of Risk Management and Patient Safety, which are of immediate or emerging concern to all healthcare professionals. At the end of the workshop, participants will have a more profound insight into proactive risk management within healthcare environments. This understanding will enable participants to predict and manage risks effectively, ultimately enhancing patient care and ensuring the highest levels of patient safety throughout the hospital.

TARGET AUDIENCE

Hospital Administrators, Hospital/Medical Centre Person-In-Charge, Quality Assurance Managers, Risk Managers, Nurse Managers, Clinical Specialist/Consultant, Senior Medical Officers, Biomedical Engineers, Pharmacists, Critical Care Unit Directors/Managers.

REGISTRATION FEE

MEMBERS RATE : RM 2,500 per pax

NON MEMBERS RATE : RM 2,600 per pax

Note: fees include 8% SST

Closing Date: 30 April 2024
