

Safe Infusion Therapy Excellence (S.I.T.E)

Safe Medication, Safer Patients

January 30, 2027 | B. Braun Medical Supplies, Petaling Jaya, Malaysia
Time: 08:30 a.m – 16:30 p.m

Strengthening Medication Safety Systems

Medication safety remains a critical risk in healthcare. This program equips professionals with a system-based approach to identify risks and strengthen patient safety practices.

Key Outcomes

- Identify vulnerabilities across medication workflows
- Apply risk-based approaches to prevent medication-related harm
- Strengthen management of high-risk medications (LASA, electrolytes, HAMs)
- Enhance IV medication safety practices

Secure Your Participation
Closing Date: 15 January 2027

Who should join?

- Nursing leaders (Director, Managers, Educators, Unit In Charge)
- Pharmacists
- Quality and Patient Safety Professionals

Registration Fee

- Non MSQH Member: RM1,250 / pax
- MSQH Member: RM1,000 / pax
- Group: RM 2,850 / 3pax

Cancellation / Replacement Clause

Any cancellation or replacement must be conveyed in writing 15 days prior to the workshop.

Liability

The organizers shall not be held liable for personal accidents or losses or damage to private property of registered participants of the workshop.

Disclaimer

Whilst every attempt will be made to ensure all features of the program mentioned in this announcement will take place as scheduled, the organizers reserve the right to make last minute changes should the need arise.

Program

January 30, 2027 | B. Braun Medical Supplies, Petaling Jaya, Malaysia
Time: 08:30 a.m – 16:30 p.m

08:30 a.m : Registration
